

SOFTEC 2019

SOFTEC-IER '19

SOFTEC-IER 2019 is the title for the university who will secure maximum positions in SOFTEC 2019.

Rules and Regulations

Any university can compete with as many participants as they want, participations will be accepted on the first come first serve basis keeping the limit of participations in the competitions in consideration.

SOFTEC 2019

Formula is generated to evaluate the winner of the title.

Position won by any university	Points for each Position	Multiplier
1	5	1
2	4	0.8
3	3	0.6
4	2	0.4
5	1	0.2

Formula:

Points of University = (Points for each position) *(Multiplier)

In case of draw, university securing a greater number of 1st positions in competitions will be awarded SOFTEC-IER '19 award.

University securing positions in each competition will be further added on in its points and multiple positions in a single competition will be also catered.
